Subject: Tire Crumb Rubber Sample Collection

Importance: High

Good afternoon Mr. [REDACTED]

My travel was approved, and the sample collection trip for the recycled tire crumb rubber has been confirmed. I will be arriving in [REDACTED] at 9:15 and should be at the facility by 10:30. EPA will need to ship the collection materials to the facility prior to Tuesday. If possible, can you email the correct addressee and overnight shipping address? EPA will need this afternoon by tomorrow morning to ensure the collection materials are there by Tuesday.

Thank you,
Elizabeth
